

my experiment

Experiment name _____ my name _____

I am working towards _____
(outcome/s)

and _____.
(impact/s)

I believe that if we _____, we can
(action/s)

_____, so I am
(output/s)

trying _____
(experiment details)

I will know if I am successful or not if _____

(measurements)

I expect this experiment with take about _____
(days/weeks)

I'll report back on it on _____
(date)

experiment outcome

Experiment name _____ y name _____

My experiment was working toward _____
(outcome)

and _____.
(impact/s)

In an effort to create _____,
(output/s)

I tried _____
(experiment details)

_____.

My measure of success was _____.
(measurements)

My experiment _____ have the result I expected.
(did/n't)

My next step is to _____
(new experiment, or moving on to next output)

My fave thing I learned was _____.

my experiment

Experiment name _____ my name _____

I am working towards _____
(outcome/s)

and _____.
(impact/s)

I believe that if we _____, we can
(action/s)

_____, so I am
(output/s)

trying _____
(experiment details)

I will know if I am successful or not if _____

(measurements)

I expect this experiment with take about _____
(days/weeks)

I'll report back on it on _____
(date)

experiment outcome

Experiment name _____ y name _____

My experiment was working toward _____
(outcome)

and _____.
(impact/s)

In an effort to create _____,
(output/s)

I tried _____
(experiment details)

_____.

My measure of success was _____.
(measurements)

My experiment _____ have the result I expected.
(did/n't)

My next step is to _____
(new experiment, or moving on to next output)

My fave thing I learned was _____.
